ASHLAND-GREENWOOD PUBLIC SCHOOLS 2027-2032 Strategic Planning

Guiding Principles of Focus

Board Governance

Establish and build upon effective governance practices that support student growth and the long-term sustainability of the district.

Student-Centered Learning Environment

To provide a student-centered learning environment where every student is supported, challenged, and empowered to succeed.

District Resources

Allocate district resources, in alignment with the long-term comprehensive goals of the district, while accounting for enrollment trends and community needs to ensure sustainable and effective use of available resources.

District Mission Statement:

Ashland-Greenwood Public Schools, with family and community support, promotes a student-centered environment that inspires lifelong learning and individual excellence.
